

# harley parts and bike for sale (300, USD)

Location **Montana**  
<https://www.genclassifieds.com/x-372151-z>

I have a pair of chrome shovelhead rocker boxes, I bought them for bike but never used them, new never put them on.

I have a wide glide front end that is 4 inches over stock with the flush mount axel and single disk brake. the inner springs an top caps and plugs are gone.

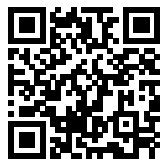

The triple trees are 5 degrees raked. I have other parts that fit the early bikes, if you are interestd give me a call,if i am not

there leave me your phone number on my machine i will get back to you. phone selling my shovel also, serious offers also, asking 11500.00 near new bike.!
