Location **Missouri**
<https://www.genclassifieds.com/x-372169-z>

Local full service construction company looking for sub contractors for all aspects of construction.

- Landscape & retaining walls
- Concrete, flatwork & foundations
- Framing
- Roofing
- Siding
- Drywall
- Windows
- Kitchen & bath remodels
- Etc.

I'm not a big local chain company. I'm a smaller company tired of dealing with hourly help.
Insurance preferred but, not absolutely necessary.
Please e-mail if interested and I will get back to you as quick as I.
