I am looking for a dominant woman to clean my home. Nothing sexual but while you clean you will degrade me and show me how to clean. My place is not a mess but think I would be more inclined to keep it up on a regular basis if I knew someone would hold me accountable for it. This would be an ongoing thing, probably every 2 weeks. I would prefer an older woman, a mother type for the role. Send a pic and why you would be good for the job if.
