

Excel Training

Location **Idaho**
<https://www.genclassifieds.com/x-372233-z>

I am available to help you out with your Excel needs. I can help train you on all the functionalities of Excel. Just let me know what topic it is you would like to learn about and we can setup a meeting to discuss that topic and play around with it.

If interested feel free to email or send me a text at and we can go from there.
