

If you need professional yet affordable high quality videography or photography taken at your event I can do it all. I majored in film and have the best equipment for shooting High Definition Video and pictures. I can either film it and hand you the disk at the end of the event, or I can edit the footage with subtitles and highlights and compress in onto a DVD or Blu-Ray at a fair price for you. I've done many high caliber events and I guarantee you will be very happy with the results. I can also do special effects for movies and music videos if needed.
