I am a 23yr old (male) graduating law student and will be working in West Long Branch, NJ for a year next year. I would like to try to find a roommate and an affordable place to live. I would prefer a roommate of around the same age, if possible. I am hoping that rent will not be any more than \$800/month (per person). The less expensive, the better, though. My timeframe for rental would be approx. Mid-August 2015 - August 2016. Please contact me through email with your name and.
