Lost Cats, Two Long Hair Cats. One a brown tabby with black down his spine, a white beard, thick fur and lion main and Main Coon type ear tufts. Male. One Black with a white patch on the lower belly area with long thin silky soft fur. Female. Siblings that have been together their whole lives and will likely travel together. Have all their claws and good at climbing. They pushed a screen out of my window earlier today 4/17 from my house near the Sandwich Hospital. Possibly will return to Sandwich side of Lake Holiday were they were born. Please email or text me if they are seen or caught. They are beloved house pets and are probably very.
