Hi everyone, I'm Grace. I'm a very sweet and outgoing cat. And in general I'm very laid back albeit a little protective of my kittens and as they have gotten older I've gotten more relaxed. I will follow you around the house, welcome you when you come home, and sit next to you or in your lap. While I love being around people, being petted, held and sitting in your lap, I'm not the biggest fan of being around other cats although I will tolerate other cats once I get to know and who knows after that. I enjoy playing with mice like toys and the red dot (laser light) interests me greatly. I'll let you know when I need something whether it is food or attention by letting you know my opinion on it. I have very good habits on all accounts and love both wet and dry food. I hope to meet you soon and my forever home!

Adoption fee of \$115 includes her spay, microchip, vaccines, deworming, FIV/FelV testing, and flea prevention
