

Lost Gold Bracelet (Boise)

Location **Idaho**  
<https://www.genclassifieds.com/x-372444-z>

I lost a gold bracelet that I've worn for almost 20 years. Please, if you found it I am offering a reward of \$100. I was out all day shopping... the mall, Walmart, Costco, Cracker Barrel... I can't remember and it was the first week of April. This is a picture of the necklace and earrings. The bracelet is exactly like the necklace but shorter. Thanks for.
