My dog in the 8 years that we have been together, has never ran off. Nor fenced or chained. Social butterfly he is. Sometimes likes to say hi to his canine friends around the block. He is super friendly and easily coaxed into a car by someone thinking him homeless.maybe your intentions are good for him. He has a loving home.well fed and a family that is awaiting his return. All you have to do is bring him to the corner of 47th & Adams, he knows his way home from there. Or call me and I will come pick him up. If you dont have him . But have information on where he can be found. There is a reward I'm offering for him.
