This is what I have left to offer up for a trade, their value is in the parentheses: if your offer is reasonable i will not counter offer.

(1) Star Wars toys available [(1) computer game, (1) 3D Puzzle] : NEVER OPENED (\$40 a piece OBO)

(3) Realistic Walkie Talkies (\$55 OBO) TRC-207 w/ charging station & (2) chargers. Reduced from \$75 & \$65 since i sold a few other things and got exactly what i was asking, which allows me to lower the price a little more.

I'm looking for: ext/int wireless security cameras, DJ portable mixer, Hunting stuff, ammo & items that use them, free weight equipment, ham radio equip, etc. anything hunting related it has to be for a lefty. If you want pictures just ask, or if you have something please send me a picture. Thanks

Put "country trade" in the subject line, spammers will be ignored if you have an email from something like "Craigslist 079" for.
