Adorable fancy red dress size 6. Perfect for the dress up! It is pleated with some flare at the bottom. The color is black velvet with a tiny red bow and while lace trim. It is clean and there are no spots or tears. Only wore a few times. It looks like a retro Shirley Temple dress. It is like new! In the one picture it looks faded. It is not faded it is just the way the light was hitting it in the picture. This was a very expensive, well made dress and it is washable!
