

Antique, High Detail, Etched Glass Serving Platter With Handle (20 USD)

Location **Michigan**
<https://www.genclassifieds.com/x-372487-z>

A very beautiful and intricate, antique serving tray with handle. Features high detail, intricate floral etching, also etched around the edge. Very light surface wear, no chips or cracks. Measures 11" diameter, and the handle is 4" high.

I can be reached via e-mail or phone and my number is it does not receive text.

You can view my other rare and unique items easily by clicking the "more ads by this user" link, and selecting gallery.
