If you are in the market for a new home, selling the home you own, or maybe you just want a better understanding of a property you currently own or live in, please call me at Absolute Home Inspections for a professional and quality home inspection that will help you make the most informed decision about buying, selling, or renovating a home.

I am an experienced and certified home inspector with InterNACHI (International Association of Certified Home Inspectors) and I meet or exceed all of InterNACHI's Code of Ethics and Standards of Practice concerning the quality and consistency of your home inspection.

Don't get stuck wishing you would have had a home inspection done, my inspection reports are detailed narratives that are communicated in language anyone can understand and stuffed full of important information crucial to know before you buy.

All Absolute Home Inspection reports include an absolutely free home energy audit and report that is completed during the inspection tailored to your new property.

I inspect in the greater Saint Louis area including all surrounding counties, such as north county, south county, and Saint Charles county.

If you need a weekend appointment I work 7 days a week with typical inspections schedules at 9:00 AM or 1:00 PM. Appointments can be scheduled anywhere from 2 days to a month in advance.

There are no more competitive rates for the size and age of the property. I offer walk-through inspections with no fee or a slightly reduced price. Meeting with me while I am in your area makes a great instant 20% discount on your inspection fee.

Take great pride in what I do and serving my clients with the best inspection possible to help them make the best decision is very important to me, please give me a call, text or email today:

Thank You A
 Kyle Montgomery
