Looking for someone who is reliable and trustworthy to clean our home, once a week or every other week. Busy family and we just arnt here enough to keep up w it. Need someone asap.

We've been burned by previous housekeepers. Some promise to show up but don't. Some charge me for 5 hours but by the looks of it worked for a half hour. Our house isn't disgusting, just a lived in farmhouse that needs tidying.

Will need references, a reliable vehicle, a cell phone w text capabilities and the know how to text, and return messages. No smoking! We have pets, so if you are allergic, this won't work.

You can pick the days - any day between Mon-Thur, and anytime between 8 am and 3 pm to complete. It should take about 2.5 hours. If you are willing to pair socks or iron that would be great and would add hrs for you. 3 hrs a week - easy right?

I have plenty of cleaning supplies. I am a bit of a cleaning supply hoarder, so I have plenty. I pay \$15 an hr. Could go up if you amaze me.

Please email me w details and experience to set up an interview.
Thank you and I look forward to meeting.
