Location **Louisiana**

We are in town looking for some fun girls to party with us this weekend. We will pay you for your time, buy you drinks and show you a great time. Your duties include:

- Grabbing us drinks from the bar (our treat of course)
- Sparkling up conversations with other girls
- Making the guys in the bachelor party feel good about themselves
- Making the groom feel bad about himself
- Having a good time and being a "party starter"

This is more a promotions type gig than anything else. Nothing below the level.

Please respond with pics and pay requirements for the.
