We are a professional couple looking for a caring, responsible and experienced part-time live-out nanny to come to our home 2-3 days a week (8-12 hours per week) to assist Mom. The schedule will change on a weekly basis so we are looking for someone with a flexible schedule.

We have healthy infant twins who are relatively well-behaved. We live in Arlington, are a non-smoking family and would like to keep a tidy house. We also have a cat that is very friendly and well-trained. Feeding the cat, on occasion, will also be a part of the job.

Applicants MUST have proven experience with infants (strong preference for experience with twins) and be fluent in English. Please include references in your response.

This job will require you to supervise and execute the twin's activities (bathing, dressing, changing, tummy-time, etc.), in addition to some light housework related to child care (including tidying of the nursery, kitchen, and living room area; loading dishwasher, washing bottles, folding/hanging baby clothes, running vacuum and minimal housekeeping duties). Our preference is someone who has raised children from infancy (thus knowing what is needed, first-hand), can show initiative, is a self-starter, and can offer advice/tips to first-time parents (as solicited). The pay will be \$9 -\$12.50 per hour. We are starting out part-time, but this position has the potential to go full-time for the right candidate.

Thanks for reading, and we look forward to speaking with you!

Please email name, number and work experience to:::: CarolHanlon84 (@) (gmail) (.) (com)
