My name is Heather and I am in need of housing for a bit. I recently lost my job and am being kicked out of my home soon without time to prepare, so I am in need of some help. I am currently able to provide cooking and cleaning in exchange for rent, nothing sexual. I am looking to stay in the West County area such as Ballwin, Ellisville, Chesterfield and Wildwood as this is where I will be looking for work. If someone could help me out for a bit while I get back on my feet, it would be much appreciated as I have a very short period of time being given to me to leave.!
