Seeking people who would like to volunteer to take part in an online counseling session designed to help you reach your health goals.

Do you want to lose weight? Have you been given orders from your doctor to change the way you eat?

Whether you're ready to make a change or still unsure, this counseling session will be tailor-made for your unique goals and set at your own pace.

If you're interested and would like to learn more, please reply via email. I will explain the process in detail and answer any questions you may have.

I'm a Certified Holistic Health Counselor, offering my services for FREE to a select number of volunteers for a limited time.

Looking forward to working with!
