Can we help each other to get ahead. Going on 1.5 year separation where ex fighting to the death for custody to "win." Have yet to see a judge, has bankrupted me but I have a JD and have in good faith tried to move ahead for my minor girls and get out--anywhere..goal Portsmouth so less isolated/taboo. Would like to discuss:

- Control of and injurious use of family court
- Staying in control when spouse ignores CS and stay aways--how to actually make headway when spouse set on your impoverishment and isolation
- Ideas in this area for jobs. I cannot get the "in" required when from MA and am very stuck. No child support makes sitters for search hard. Can we take turns?
- Unhealthy issues for me and children daily but all contempts moved whenever relief in site.
- PFAS
- DHHS
- GALS
- Resources that helped you
- Possible helping each other with child care to get some free time (that we end up using to seek answers in this mess.)
- Outcomes and experiences of people who ended up litigating in Maine--why ME so slow to grant of follow through with hearings?
- Work ideas--cannot say enough
- Housing ideas--marital home not safe place anymore
- FRIENDSHIP and
