Meet beautiful Sabrina. She has the most soulful eyes and loving heart. She is such a sweetheart. She loves everyone. Sabrina is so sweet and loving. She is still shy but warming up quickly. She walks great in a leash and loves the other dogs. She is good with all she meets but takes some time to warm up. She is 1-2 years and weighs about 45 pounds. We think she is a mountain cur or Boxer with lab. She would love a home with another dog and is quiet in her crate! Sabrina needs a family of her own as she will make an incredible pet. Email us today and come meet her!
