New Jersey and other parts of the world are stunned at Lisa's unique remakes of Billie Holiday selections and other music legends' pieces. Her jazzy flavor of gospel remakes blend with her jazz exposure, as a result of more than 40 years of providing music services to the U.S. and other countries. Her music presentations are well-received, because of the originality that she adds to her music. She never performs a song the same way, twice, because her performances are influenced by the energy of her given audiences.

Your support in booking Lisa's extravagant Jazz & Gospel Concert Series and play productions helps to offset music recording expenses and grants your organization very attractive incentives, as you fund raise.

New Jersey urges LOCATION SPONSORS to come aboard and house these note-worthy concerts for the benefit of music recordings that will enrich lives, nationwide!!
