

# Fresh eggs for sale (3 USD)

Location **North Carolina**  
<https://www.genclassifieds.com/x-372658-z>

Fresh eggs for sale. They are collected, washed, and placed in the fridge daily. \$3/dozen or \$4.25 for an 18 pack. We also have a limited quantity of tiny eggs (from our mini chicken, a bantam) that are \$2/dozen. We have a small, healthy flock of 10 laying hens that lay brown, blue, and green eggs. Thanks for!
