We have a 2 bedroom, 2 bath apartment at Exit 1 in Nashua. The apartment itself is beautiful, and has all the upgrades. You would get your own private bedroom, with a huge closet, as well as your own private bath. We would share the kitchen and living room area.

The unit has a washer and dryer in the unit, and is fully aplianced with a stove, refrigerator, dishwasher, and over-the-range microwave.

No smoking is allowed anywhere on the property, inside our outside. There is plenty of free parking. There is also a clubhouse complete with a gym and pool.

Rental term would be month to month.

\$800/month for rent, or \$200/week.

All utilities will be included...gas, heat, hot water, sewage, and even Comcast (full HD extended cable lineup and high speed internet)

I can't accept any applicants with a cat, as I do have a dog in the apartment already. He is a 5 year old golden retriever. I may be willing to accept a dog though.

Available immediately.
