Let's face it , not everyone has a knack for assembly nor do they have the time. If not done properly according to manufacturers instructions it can be dangerous and decrease the life span of your purchase and even void the manufacturers warranty. This is where I come in. My name is Michael. I am local with over 21 years of experience assembling various products consumers buy each and every day. I provide the tools and know how to satisfy the needs of folks in many surrounding communities. REFERENCES , REFERENCES ,REFERENCES. Enjoy peace of mind knowing that your product will be secure and safe and provide years of service to you and your family.
