I've got my 1983 f250 4x4 plow truck for sale. It has the 6.9 international with new batteries starter and head gaskets. Truck ran good all season, now the valve seals are worn so it blue smoke once warmed up. It's not a expensive fix.i painted the cab and installed a 8x8 flat bed for this season Plow set up is a Meyer e47 with new fluid rebuilt 2 years ago no leaks plow works great. I just no longer am plowingso I don't need the truck anymore. Call or text is preferred, I'll work with the.
