

## Interstate Battery Display Shelving (95 USD)

Location **New Jersey**  
<https://www.genclassifieds.com/x-372830-z>

I am selling 2 sets of Interstate Battery Display shelves. Each set is complete and in nice condition to display your automotive collectibles on. There are 3 shelves per set and they each come with the sign attached.

These shelves come apart and fold flat, would be great displays for flea market vendors or in an antique shop.

Asking \$95 each for these cool man cave display items. Please email me for more.
