I have 2 of these new in the box. 1 has some marks on the top of the cabinet that are not visible when installed, the other has no marks.

PRODUCT OVERVIEW
Model # SLMC23COM-SG
Internet # 202931175

The Martha Stewart Living Seal Harbor medicine cabinet is part of a distinct collection that combines transitional furniture styling and a warm wood finish for a bold and beautiful look. The brushed nickel decorative door pull adds a modern look. The adjustable shelving offers versatile storage configurations for a variety of container shapes and sizes. The smooth finish frame is easy to care for.

- 22.7 in. W and 28.3 in. H (installed dimensions)
- Durable wood frame construction beautifully complements the matching bath ensemble
- Furniture details provide a clean and classic look
- Cool sharkey gray finish coordinates with the seal harbor vanity cabinet
- Two adjustable shelves included for custom storage solutions
- Durable all-wood construction ensures a long life
- Factory installed hanging hardware for easy installation

Factory assembled, ready to install
