This is a used working scanner. Does not come with it's original box. Was pulled from a working environment. This is for the scanner, stand and USB cable. QD2130-BKK1S - Datalogic QuickScan I QD2100 Reader

Two multiple interface options support the most popular interface combinations

The Datalogic QuickScan I QD2100 linear imaging reader is an entry level product perfect for use in retail and office environments plus activities associated with couriers and postal services. The QuickScan I QD2100 is small, lightweight and its ergonomic design is comfortable to use during daily operations. It offers snappy reading performance especially on hard to read bar codes and is capable of reading a wide range of symbologies including the majority of 1D codes plus GS1 DataBar linearcodes. The Datalogic QuickScan I QD2100 reader features Datalogic's exclusive patented 'Green Spot' for good read feedback directly on the code. When in Stand Mode, the Green Spot remains on to show the operator where to position the code for quick and intuitive reading.
