It breaks are hearts to have to rehome these two but we are having to move and can't take them with us

First picture is Sue Ellen she is 2.5 years old , spayed and utd on shots until june.

Second picture is Sue Ellen son Pasquinel he will be a year in may .we had him from day one He is utd on shots as well until may.

Both are house trained ,great with kids and other pets. There is a 75 rehoming fee per dog . Willin to talk about the fee for the right home. Would like updates for the first few months to see how they are.
