

lab puppies (fargo)

Location **North Dakota**
<https://www.genclassifieds.com/x-373141-z>

2 out of 7 6.5wk old Lab puppies. The mother is yellow Lab, and the father is black Lab. There's two Black left one Male and one Female. Dewormed, plus first Shots. They're well socialized. They're \$250obo with \$100 refunded after Spay or Neuter (No that cannot be cut from the price now! It is an incentive to have them fixed, if you choose not to fix your pup then there is No refund!). Call or Text!
