The Piddle Place Pet Relief System is a potty solution for your dog during puppy training, boating, travel, and condo/apartment living. Ideally recommended for dogs up to 35 lbs. and is especially perfect for puppy training and assisting older dogs. Key benefits include: a fully enclosed chamber with easy drain valve system; super porous turf and innovative base design directs safe waste collection; easy to carry and lightweight with build-in handles; compact design is perfect for travel and small space living. size is 30.25" L X 19.25" W X 2"

Kit Includes:
 Piddle Place Base Chamber
 Removeable turf pad
 1 Concentrated Bio+ Treatment pack
 Removeable travel lid

This i purchased at Petco (\$119.99) for my daughters puppy and puppy didn't take so it at all. So maybe used a week total during that time but don't think the puppy ever messed on it.... maybe next to it but not where she was suppose too. Anyway, thanks for looking and call or text at number listed above. Asking
