We are looking for a nanny to watch our almost three year old boy and nine month old daughter in our home Monday through Friday asap. MUST BE DEPENDABLE. We do not have the type of jobs we can call into. Start around 7:30. End times Around 4. Our mother in law lives with us so you will have help. Make breakfast and lunch, pick up toys when they are sleeping, maybe wash a few dishes. VERY easy kids. \$200/week because your will have help and they are great kids. Cable and food in the house. Fenced in yard for outdoor play when it's nice out. Park near by.
