

Indie Beauty amp the Beast project needs roles filled (Wisconsin)

Location **Wisconsin**
<https://www.genclassifieds.com/x-373339-z>

I'm putting together a reproduction of Beauty & the Beast for a film project and I am still looking for actors or models to play the lovers.

I am looking for either one male and one female or two females (I'd like to make all of my disney reproduction queer versions of the original but it rarely works out. Still, I didn't think that mentioning it would hurt).

Please only respond if you're able to provide a recent photo of yourself.

Age: 18-26
 Ethnicity/Race/Nationality: Open
 Height: Open (shorter individuals are encouraged to)
