Chika came to our rescue off the EU list at fort worth. her owner tied her to a pole in the middle of the night with a dog bed food and water. she was very matted so we had to shave her and it looks as if she was a breed most her life. she is housebroken, great with kids, other dogs and cats and will talk to you too. I put a different bow in her hair everyday and she loves it. she is good off leash as well. she weighs about 8-9 pounds. she is 7 years plus
 she is spayed, all shots, hw negative and microchipped and just had her teeth cleaned and had to have 14 pulled but that does not stop her from eating. LOL she has a great appetite and a full bloodwork done. will come with a harness and leash

adoption fee is \$100
