Due to circumstances out of my control i am having to find a new home for my little buddy!

His name is Stetson. He is a full blood, long haired, tri-colored chihuahua. He is 8 yrs old and still acts like he's 2. He is doggy door potty trained, walks on a leash, absolutely LOVES clothes (more than most people i know), he is neutered, was raised around both cats & dogs, loves to snuggle with you while you watch tv or take a nap and his birthday is Christmas eve! I am asking a rehoming fee of \$150!

Feel free to TEXT me anytime with any questions you have...four 6 nine. 2 eight 5. Twenty-two
