

lab mix pups

Location **Texas**
<https://www.genclassifieds.com/x-373362-z>

I have two female lab mix pups looking to be rehomed. They are 5 weeks and eating hard puppy food already. They've had their first set of shots and been dewormed already. There is a 25\$ rehoming fee.
If interested email me and I'll send pictures.
