

# Lost wallet (JPs PubDowntown Burlington)

Location **Vermont**  
<https://www.genclassifieds.com/x-373392-z>

I dropped my wallet sometime last night (Friday, April 17th) downtown. I called the bar and no one has turned it in, which means I probably dropped it outside. Really, it is just a paperclip with my ID and debit card (been shut off) and some other miscellaneous cards. If you come across it, please contact me.

Thank you,
