Black Velvet: a song, a whiskey, a cake, a fabric, and..... a dog? Once you pet Rita's head, you'll be convinced she does not have fur, but that she is covered in black velvet. Rita is sweet, calm, faithful, curious, observant, eager to please, affectionate, well-behaved, playful, and a little shy. Rita loves to ride in the car, she enjoys the outdoors and the snow. Rita lives with other dogs in her foster home ranging from tiny to large and young to old, she is well-mannered and friendly with all. She is house-trained and knows "sit", "come", and "no". Rita walks well on leash, keeping her eye on her person and staying close to their side. When first meeting new humans, Rita is hesitant but warms up quickly. Rita is curious about children and welcomes kind respectful displays of affection. Soft, sweet Rita --- black velvet, if you please...

Rita is a 1 year old, 35 lbs., female Shar Pei mix. She is spayed, up to date on routine vaccinations, and micro-chipped. An application with references, a home visit, and an adoption fee are required to adopt Rita. Reply to this posting for.
