A group for people who cannot, for whatever reason, afford to live alone and pay rent and bills without financial help.

All members come together at a designated place and share information about what they expect from their potential housemates...The idea is to find one or two people who share the same or

similar lifestyles to rent an apartment or house with a mutually agreed upon area of the city; pick out a place, pay the rent and security together, and move in with the express agreement to split and pay bills equally, short term or long term. A fully detailed Questionnaire will be provided by the Social Housemates Group leader.

If you would like to receive an application and questionnaire in the mail, send a postal money order of \$15. to cover services up to a 3 month search. Make Money orders payable to Rev. Stephanie Banks, P.O.Box 22483, Phila., PA. 19110...Also visit <https://facebook.com>
