My name is Bill Wiley, I run an independent electrical business. It's been my career for 30 years. I'm a certified Master Electrician, both Licensed and Insured.

I do new and old construction, all phases of work, and I am the go-to-guy when other electricians are scratching their heads and need advice - I'm an expert troubleshooter.

Estimates are always free and without obligation.

Give me a call, let's get started.

I check my email frequently if calling isn't your thing.

My mission:

Deliver superior electrical workmanship at affordable rates, no exceptions. Straight-forward and Honest Professional. Never leave anyone in the Dark.
