Live in one unit and rent out the other 7--make extra money during the hunting season. Nice apartment building located in Eureka South Dakota--great hunting and fishing. Seven of the units have full kitchens--1 gigantic three bedroom and 7 one bedrooms--most have some furnishings to include beds and couches. Some of the units will need a little bit work to get them ready and others are close to turn key. This is a great opportunity for someone wanting to put in a little bit of work. Lease amount is only \$500 per month for the entire building with a \$500.
