If you are looking to get a larger place to rent with some more space, these town homes are the place for you. When you walk into these units, you will enter onto the main level. The main level has the living room and the kitchen. The kitchen includes stove and refrigerator. In most of the units, the basement level is included, this is where the washer and dryer will be and plenty of storage space. The upstairs is for the living quarters. In each unit, there are 2 bedrooms and 1 bathroom. This 12 plex is located just north of Uptown Watertown close to the Public Opinion. Please contact Brandriet Property if you are.
