We are the answer for all your downtown needs! Minutes away from everywhere you need to be, we're located a short three miles away from downtown Seattle. Grocery stores are just down the block and the

bus lines run right past our front gates. We sit about 300 feet above sea level on Beacon Hill. This means
 our parking lot is high above the water level of the city. This means you can see the city and water
 from our balconies. The ferry is just a short walk away. The view is amazing. We have a new home
 office staff to help you. We are open Monday through Saturday from 10am to 6pm. We are open to
