Do you or someone you know have a 1-2 Bedroom, 1+bath home you would like to sell in the Manette area? Any size ok. Carport is ideal, and will consider any garage or lack of garage/carport.

Buyers are ready to purchase NOW and looking for the above described house. Any condition. Just call.

Call Today with questions or to see if your house will work for these motivated buyers.

I answer the phone, return phone messages fairly quickly and respond to text messages and emails. Please do not hesitate to contact me (did I mention my phone # is ?!?!? ;).

Please call, text or email at if you have any questions about buying or selling a home. I am here to help. I am a Realtor (google it - working with a Realtor is important) as well as a broker and I am professional and experienced.

Thank you -
