Hello, my name is Emily Harris and I'm currently looking for more friends to join our play group at Love&Learn PlaySchool, my in-home licensed child care center in Maple Valley.

To tell you a little about myself, I am 31 years old and have been married for over 13 years. I married my husband in 2001, and got the blessing of having an instant daughter who was 3 at the time. In March of 2006 I gave birth to our son. Upon my husbands graduation from Palmer College of Chiropractic in 2005 we moved to the Seattle area. My husband and I had a home built in 2007 and moved in at the beginning of August.

I have a variety of education and training. I have 2 associate degrees. I am certified in child, Infant, and adult CPR as well as first aid . I have completed 80 hours of STARS (child care) training courses. Each year I will be taking 10 hours of continuing child development education. However, my best education in child care is being a mother.

Love&Learn PlaySchool is over 1200 sq ft of our new 3000 sq ft home. The indoor playroom is over 1000 sq ft adjoined with my kitchen and large den. This area is equipped with a car/truck center, an activity bus, a library for story time, and so much more.
