I posted this a while ago, and I admit that I flaked on some people. Not cool on my part. Here I am again with a different outlook.

I'm an improvising flutist who specializes in extended techniques and avant-garde music. If you need a unique sound for your band's new album, or even a regular member if the music is right, I'd be happy to take part. I'm comfortable with lots of styles. Send me a message and I'll send you a link to my.
