FREE TO GOOD HOME ONLY. My name is Sophie and I am a long hair calico, and my sister is a short hair tabby. We were born on 6/4/2014. We are 10 months old. My sister and I have been spaded and declawed and we love kids and lots of attention especially being rubbed. We love our treats and we love to play with a laser light and our toys. My mommy is a fulltime nurse, mom, and student and doesn't have much time with us, we are looking for a family to take us home and that can spend the time with us that we deserve. We have been declawed so please don't let us outside for we cannot protect ourselves. We are inside cats and that's where we prefer to stay. We have never been around any dogs or other cats. My sister and I are up to date on all our shots and of course we have been dewormed since we were born. We also are on a flea and worm prevention that we have taken everyday so far in our lives. We both are very beautiful. We will come with all our things. Please text our mommy for pictures. Serious inquiries ONLY. Contact Rebecca @

Have a bless!
