SWEET Stray Dog FREE To Good Home (Orangeburg)

South Carolina Location https://www.genclassifieds.com/x-373780-z

She looks to still be a young dog. She is skinny! She appears to be healthy, but have not invested in a vet check to be 100% sure. She gets along very well with our three kids. She has to be an outside dog, she is NOT a happy camper being inside at all. She eats and drinks a good bit. She seems to have a really good heart full of love to give to someone. We just don't have time for an outside.
