

98 maxima great first car or a

Location **Tennessee**
<https://www.genclassifieds.com/x-373796-z>

Nice car no real needs at the moment
 268xxx miles on original engine and trans
 Automatic transmission
 All power options work except power antenna
 Keyless entry works and has window auto roll down option
 With fob
 Car has scratches,dings is not mint nor perfect if your gonna nick pick it
 Dont waste your time
 Cloth interior is in good shape
 This was my son's car that he wants to sell to get something else
 Overall 5-6/10 good for its age and mileage
 Some paint fade on roof front rear bumpers,some wear on carpet
 Replaced parts listed below
 Consistant oil,trans,coolant fluid changes
 Power steering pump oem
 Tires are good for a little while 50%
 Air filter
 Plugs,coils orm
 Valve cover gaskets oem
 Throttle body,upper,lower intake gaskets oem

Radiator fans oem

Front struts and shocks

Power windows, door locks, remote

Thermo stat,lower radiator hose

All window regulators and motors

Nice in dash jvc cd player with updated speakers

Front, rear hub and bearings

Battery

Starter

Left front clipper, both rear

Water pump,thermostat again

Pvc valve

Fuel filter

Knock sensor

Cleaned egr tube and port,with throttle body

All work done in the last three years

Long story short its a great car for the money

Price is \$2100.00 obo within reason
